

ICS School Funding Scorecard

Rank Your School

1 = not aligned 5 = completely aligned

Make notes of work that still needs to be done to better align with your Equity Non-Negotiables

Professional Learning

Do ALL our professional learning opportunities align with the Equity Non-Negotiables? (e.g., developing teacher capacity within Tier 1?).

Curriculum & Resources

Do all our curriculum and resource purchases/adoptions align with the Equity Non-Negotiables? (e.g., do any of our curriculum adoptions require students to be ability-grouped?)

Transportation

Do all our transportation funding decisions align with the Equity Non-Negotiables? (e.g., separate buses, transporting certain students to certain schools, out-of-district placements?)

Staff & Positions

Does the addition of new staff or positions align with the Equity Non-Negotiables? (e.g., are we hiring someone to develop the capacity of teachers in Tier 1? Or will this person reinforce separate programs?)

Grants

Do the grants that we are applying for align with the Equity Non-Negotiables? (e.g., they do not require students to be segregated in any way).
